Maksym Prokhnitskyi

Full Stack JS Developer

maksymprokhnitskyi@gmail.com

Puliny, Ukraine

Profile

As an experienced Full-stack JS developer, I excel in developing robust web applications and providing seamless user experience. With expertise in the latest front-end and back-end technologies, I have a proven track record of delivering high-quality projects that meet clients' requirements.

My technical skills include proficiency in React, Node.JS, Next.Js, HTML, CSS, JavaScript, TypeScript, and Git. I have a strong knowledge of RESTful APIs, GraphQL, and MongoDB and experience working with third-party APIs and libraries.

In addition to my technical skills, I have excellent problem-solving skills, attention to detail, and an ability to work collaboratively in a team environment. I have a passion for learning and staying up-to-date with the latest industry trends, which allows me to keep my work innovative and effective.

Overall, my experience and skill set make me a valuable asset for any organization looking to develop high-quality web applications and provide an exceptional user experience.
